

L7WBG741R Front loaded WD

MEET THE PERFORMANCE WEAR PROTECTOR.

The new Kombi washer dryer with DualSense Technology tailors the temperature and drum motion to different fabrics and adjusts programmes to the specific load. Everything from textured jackets to soft jumpers can be carefully washed, dried and protected

Dual technology for sensitive care

Our DualSense Technology tailors the temperature and motion of the drum to different fabrics and adjusts programmes accordingly. Lower heat and controlled movement mean that everything from delicates to outdoor wear can be carefully washed in one go.

Adjusted cycles for absolute convenience

ProSense Technology® automatically adjusts washing and drying times to the size of the load. Enabling convenient and economical cycles – saving on time, energy and water – whether the load is small or big.
