

Temperature control, for taste protection

40% faster cool down with ColdSense. Fridge and room temperature sensors react quickly to environment changes, maintaining a stable temperature. A fast cool down is secured and the right temperature is quickly adjusted. Less temperature shocks, protecting the textures in each delicious fruit.

Product Benefits & Features

Active temperature control. Ingredients protected. With ColdSense

ColdSense reacts quickly to any temperature change. Cold sensors immediately respond to environment changes, adjusting the fridge temperature 40% faster back to optimal. By avoiding shock temperature changes to food, textures are not damaged. So you can bite the crispiness of all your favourites.

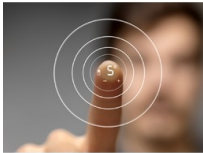

- Climate class: SN-N-ST
- Refrigerator shelves for storage : 3 Full Width
- A+ class energy rating
- Energy Efficiency recommended
- Visible external door open indicator with audible warning alarm
- Refrigerator drawers : 2, Half width transpar. plast
- A+ energy rating
- Fast freeze in 24 hours: 10 kg
- Removable egg tray
- Built in fridge-freezer
- Reversible door hinge
- CFC & HFC-free and environmentally friendly
- Freezer capacity (gross): 106 litres

Less freezer maintenance, with LowFrost

The integrated LowFrost system maintains your freezer's temperature to help prevent the build-up of frost. For better performance and less maintenance.

Setting at your fingertips. With Electronic dual touch control

Thanks to the Electronic dual touch control you never have to second guess what's going on inside your fridge. You can easily control various functions and set the precise settings for both the fridge and the freezer with just a touch.

Humidity Control for fresh greens

Enjoy delicious vegetables with our Humidity Control drawer. By managing the moisture in the air, it creates the best environment to store food. Closing the vents creates the ideal space for storing herbs and leafy greens, while opening the vents gives optimum storage.

Maintain perfect texture with FastFreeze

The FastFreeze system freezes fresh foods quickly so that vitamins, textures, flavours, and all healthy qualities are better preserved.

Product Specification

Product Number Code	925 515 022
EAN number	7332543737949
Annual energy consumption (kWh)	285
Built In Height (mm)	1780
Built In Depth (mm)	550
Built In Width (mm)	560
Height (mm)	1772
Width (mm)	548
Depth (mm)	549
Freezing Capacity Kg/24hr	10
Rising time (hrs)	24
Climate class	SN-N-ST
Colour	White
Connected Load	150
Voltage	230-240
