The most economical clean for your clothes

Zanussi's built-in washer dryer is designed to run quietly, fit in with other appliances, and clean and dry your clothes in one go. It uses the AutoAdjust feature to weigh the load, adjusting the cycle to be as fast and efficient as possible. Giving you the most economical clean.

Save time and energy with AutoAdjust

The AutoAdjust feature weighs what you put in the machine, adjusting the duration of the cycle and the amount of water and energy used accordingly. So you get the most economical wash, every time.

Clothing care in a single cycle with DuoSensor

DuoSensor adjusts cycles to the types of fabric you're cleaning. It customises the drum movements and temperature so that they are washed and dried with the ideal settings.

More Benefits :

- Wash and dry your clothes in just an hour with the NonStop 60-Minute programme.
- Our built-in washer dryer keeps the noise down when running a cycle.
- Adjust the length cycle so that your clothes are ready when you want them.
